

Contract Checklist

For Shingle Roofs

1. Are the following components listed by name and brand?

- ☐ **Trims** - Drip edge and other perimeter protection
- ☐ **Underlayments** - Ice and water shield, synthetic underlayment
- ☐ **Shingles** - The visible protective layer
- ☐ **Ventilation** - Ridge vents, soffit vents for airflow
- ☐ **Flashing and Penetrations** - Sealing around chimneys, vents, roof-to-wall connections

2. Are the majority of your components from the same brand?

- ☐ Yes
- ☐ **No** - confirm which products are from different brands, and if this voids your roof system warranty

3. Has your roofer explained which roof system warranty you qualify for?

- ☐ Yes
- ☐ **No** - have your roofer confirm which roof system warranty you qualify for and what needs to change if it does not currently qualify

4. Have you verified your roofer's certification level on the manufacturer's website?

- ☐ Yes
- ☐ **No** - refer to [our guide](#) on how to verify your contractor's certification status
